ERGONOMICS: backrest and seat with optimised contours for lumbar support and postural comfort.

STRUCTURE: monobloc in injected polypropylene, with no joints or metal components.

STACKABLE: allows multiple chairs to be stacked.

COLOURS: a colour range adaptable to different architectural contexts.

Support chairs

STAR

The STAR chair combines elegance and functionality with a minimalist and timeless design. Height-adjustable, it easily adapts to different spaces and uses, providing comfort and versatility.

Personalise it with a wide range of options, from armrests to different types of upholstery. Create the perfect atmosphere, whether for a modern office or a sophisticated lounge.

REVIVAL נ'סא

Vintage chairs bring a retro style to any space. A special chair, in most cases, is associated with a very specific environment. Give your space the chair of your dreams that it deserves.

Seat, backrest, and arms
Padding with polyurethane foam; upholstery in fabric or semi-leather. Biba with customisable colour.

Base
Star-shaped base with 5 arms, made of stamped steel sheet, with epoxy paint.

Seat mechanism
Seat height adjustment using a gas lift. Synchronized tilt of the seat and backrest according to the user's weight.
